Title: **Transitioning regulatory documentation**

Date: 06/13/05

Identifier: 2005-RF-28

Lessons Learned Statement: Guidelines for termination, transfer, and transition of regulatory permits and agreements are needed.

Discussion of Activities Analysis: Estimated Savings/Cost Avoidance (if applicable):

.
The Rocky Flats Project Office personnel noted that the termination, transfer, and transition of regulatory permits and agreements were time consuming tasks and there is a lot of negotiating, meeting, and reviewing of documents to do in a short amount of time. This effort would have been a little smoother and less stressful if it was initiated earlier, but there are no guidelines to say what the right time is.

Keywords; transition, regulatory documents

Recommended Actions: Create guidelines for termination, transfer, and transition of regulatory permits and agreements.
